

Welcome To Driftwood Christian Church

We are so glad you chose to join us today in our worship service. We pray that our time together will draw us closer to our Lord Jesus and His family. There are certain things you can expect during our services. Communion is an act of remembering what Jesus did for us through His death on the cross. Communion is open to all Christians. We partake by eating the bread and drinking the cup as it is passed. You may witness a baptism today. This event is part of a person's decision to commit his or her life to Christ. Please take any of the brochures in the foyer. We're glad you're here!
